Subject: Fw: Announcement

You should have recently received a training announcement regarding a pretreatment permitting course that is being offered by EPA and EPWPCOA. The announcement was bright orange. Apparently when faxed, the registration form is received as a totally black unreadable page. If you want to register and plan to fax in your registration, please use the attached copy of the registration form. If you have already faxed in your registration, please re-fax it using the attached form.

Thank you, and sorry for the inconvenience.

Subject: Announcement

The orange color used for the announcement faxes as a totally black page. Attached is an electronic version. Please email this to anyone on your contact list you think may attend the September training so they can use this if faxing.

I received one fax I have no way of tracking as there was no fax number at the top. If anyone faxed that sheet please let me know.

Thanks,

Marykay Steinman
